SPEAKERS & MODERATOR

Simon Rainey QC
Quadrant Chambers
London

Simon Rainey QC is one of the best known and most highly regarded practitioners at the Commercial Bar. He has a reputation which is second to none for his intellect and legal analysis ("fantastically intelligent and tactically astute"). He is acclaimed for his advocacy skills ("a stunning advocate") and his cross-examination ("excruciatingly superb"). But he is equally well known to his clients as a cheerful team player, who rolls up his sleeves in long and complex trials and arbitrations and who prides himself on high standards of client care ("incredibly user friendly" and "lovely to work with"). His practice focuses on five core areas: commercial litigation, commodities and international trade, energy and natural resources; international arbitration; insurance and reinsurance and shipping and maritime law.
